Architecture & Engineering Internship Program

Industry Partner Commitment Form

_____ will partner with the Los Angeles Unified School District
(Firm Name)

2008 iSEE Architecture & Engineering Internship Program. We commit to hiring intern(s) for six weeks for at least the recommended salary. Additionally, we agree to provide a work environment that enriches a student's understanding of architecture, engineering and/or construction and participate in iSEE program activities. We understand that while most internships will be held July 21 through August 29, 2008, some internships will be held in the fall or winter.
