1. Approved Products (Terry Robinson)
2. Un-authorized applications at Stagg El and BTB Middle School Program(Terry Robinson)
3. August Team Meeting(Terry Robinson)
4. Non-agenda items

NOTE: The next IPM Team meeting is August 8, 2014.
The meeting of the Integrated Pest Management Team was held at Maintenance & Operations C3

Minutes of the Integrated Pest Management Team Meeting, May 9, 2014.

In Attendance:

Members: Gloria Simoski, Ron Hults, Mitzi Shpak, Joe Ramirez, Jennifer Flores, Dr. Cathy Lippman, Maryhelen Torres, Carole Ries, Robina Suwol, Terry Robinson

Non-Members in Attendance:

Members Not Present: Tracey Bartley, Shabaka Heru, Manish Singh

Item 1
SB 1405
Robina Suwol provided an overview to Team members of the proposed new Healthy Schools Act, SB 1405.

Item 2
Indoor Air Quality
Jennifer Flores, OEHS, attempted to show a video produced by students at Robert F. Kennedy SH and New Open World Academy but technical issues prevented the video from being shown. Jennifer said she would provide a link so Team members could view online.

Item 3
Approved products
Ron Hults provided Team members with an update on products on the list that have been discontinued, Drax Ant Gel, MotherEarth Exempt, and Mothe Earth D.

Item 4
Non-agenda items
Ron Hults provided Team members with an update on Playa Vista Elementary where parents want to hire an outside pest control company to spray for ants.

Team Members approved adding David Poplin to serve as the Independent IPM Expert. Team members would like to limit the IPM Expert to a one year contract with the District’s option to renew.
