Dual Language - Norm Day (Actual) Enrollments

Table 1a) - Norm Day Total Enrollment - The total of all the school's Norm Day students, by grade, for the school's Host and Dual Language Programs.

Table 2a) - Norm Day Resident Enrollment - Resident students attending the school's Host and Dual Language Programs. Residents are all grade-level-appropriate students who live in a school's attendance area and who are attending that specific school.

Table 3a) - Norm Day Non-Resident Enrollment - Non-Resident students attending the school's Host and Dual Language Programs. Non-Residents are all grade-level appropriate students who do not live in a school's attendance area but who attend that specific school through one of the District's Permit, Open Enrollment, or Traveling programs.

Dual Language - Forecast Enrollments

Table 1b) - Forecast Total Enrollment - The total of all the school's forecasted students, by grade, for the school's Host and Dual Language Programs.

Table 2b) - Forecast Resident Enrollment - Resident forecasts that are developed for the school by LAUSD's Master Planning and Demographics Unit and Dual Language and Bilingual Programs Office, for the school's Host and Dual Language Programs.

Table 3b) - Forecast Non-Resident Enrollment - Non-Resident forecasts that are developed for the school by LAUSD's Master Planning and Demographics Unit and Dual Language and Bilingual Programs Office, for the school's Host and Dual Language Programs.
